SLAMP:

Mystery, surprise, charm and elegance... or simply, Slamp. Just as a well cut diamond has many facets, reflecting and refracting light in fascinating ways, our new collection shimmers in a variety of captivating new designs made entirely in Lentiflex®. These include Gemmy Prisma in coloured versions that remind you of minerals and precious gems – of amber, ruby and sapphire. Also in Lentiflex®, two new suspension versions of Veli scintillate with iridescent detail to be the biggest diamonds of them all. Even the smallest of the family, the Veli Mini has precious jewel-like qualities. On the wall or the ceiling, it releases a kaleidoscope of magical effects. Then Cactus Prisma, in new sizes XS and XM, is destined to bring dreamy ambience into the bedroom. Meanwhile the totem-like Cactus XL will add exotic atmosphere to any space around the workplace or the home.

Come un diamante ha tante facce e in ognuna di esse si riesce a catturare qualche dettaglio nascosto, così Slamp per questo nuovo lancio promette di mostrare se stessa sotto varie sfumature. Mistero, sorpresa, fascino, eleganza... tutte caratteristiche che si ritrovano nella nuova collezione interamente realizzata in Lentiflex®. Rinnovata energia per la Gemmy Prisma che, nella versione Color si ispira ai minerali e alle gemme preziose. Riflessi di ambra, rubini e zaffiri per lasciare ampio spazio all'immaginazione. Con l'utilizzo del Lentiflex®, la sospensione Veli nelle due dimensioni si impreziosisce di dettagli cangianti e si trasforma in un grande diamante. Anche la piccola della famiglia, Veli Mini, non rinuncia a sorprendere e diventa un caleidoscopio di emozioni. Con i nuovissimi Cactus Prisma nelle dimensioni XS e XM, Slamp entra nelle vostre camere da letto, seduce i vostri comodini e mette in scena effetti straordinari. Il Cactus XL aggiunge atmosfera e riflessi esotici a ogni stanza.

Wie ein Diamant der viele Gesichter hat und jedes von ihnen gelingt es einige versteckte Details zu erfassen, das ist das Besondere was Slamp mit diesen Neuheiten zeigen möchte, eine Vielzahl von strahlenden Farbtönen. Geheimnis, Überraschung, Charme, Eleganz ... das sind die Charakteristiken die Sie in allen neuen Kollektionen finden die ausschließlich aus Lentiflex® sind. Verstärkte Energie für Gemmy Prisma, in der neuen Ausführung Colour, inspiriert von den Farben der Mineralien und Edelsteinen. Reflektionen der Bernsteine, Rubine und Saphire lassen viel Raum für Phantasie. Mit der Verwendung von Lentiflex® wird die Pendelleuchte VELI, in den beiden bekannten Größen, zu schillernden Diamanten die viele wertvolle Details ausstrahlen. Auch unsere Kleine der Familie, Veli Mini, spart nicht an Emotionen und wird zu einem Kaleidoskop der Gefühle. Mit den brandneuen Prisma Cactus Tischleuchtern in den Größen XS und XM tritt Slamp in Ihre Schlafzimmer, verführt nicht nur Ihre Nachttische sondern zaubert Spezialeffekte. Neu auch als Stehleuchte! Die Cactus XL bringt strahlende Atmosphäre und exotische Reflexionen in jeden Raum. Slamp, ein Start ins neue Jahr mit strahlenden Emotionen.
