

BUZZE IP54 LED PUSHDIM GI

Buzze is a movable and portable fitting which generates a soft, diffused light. Thanks to the dimmer which is operated using the power button, you can choose the atmosphere of your choice. Buzze has a sleek design. Although this is mainly an outdoor fitting, it has been finished with the same level of refinement as an indoor fitting. And if it gets too cold outside, simply take Buzze inside with you to continue an unforgettable evening.
